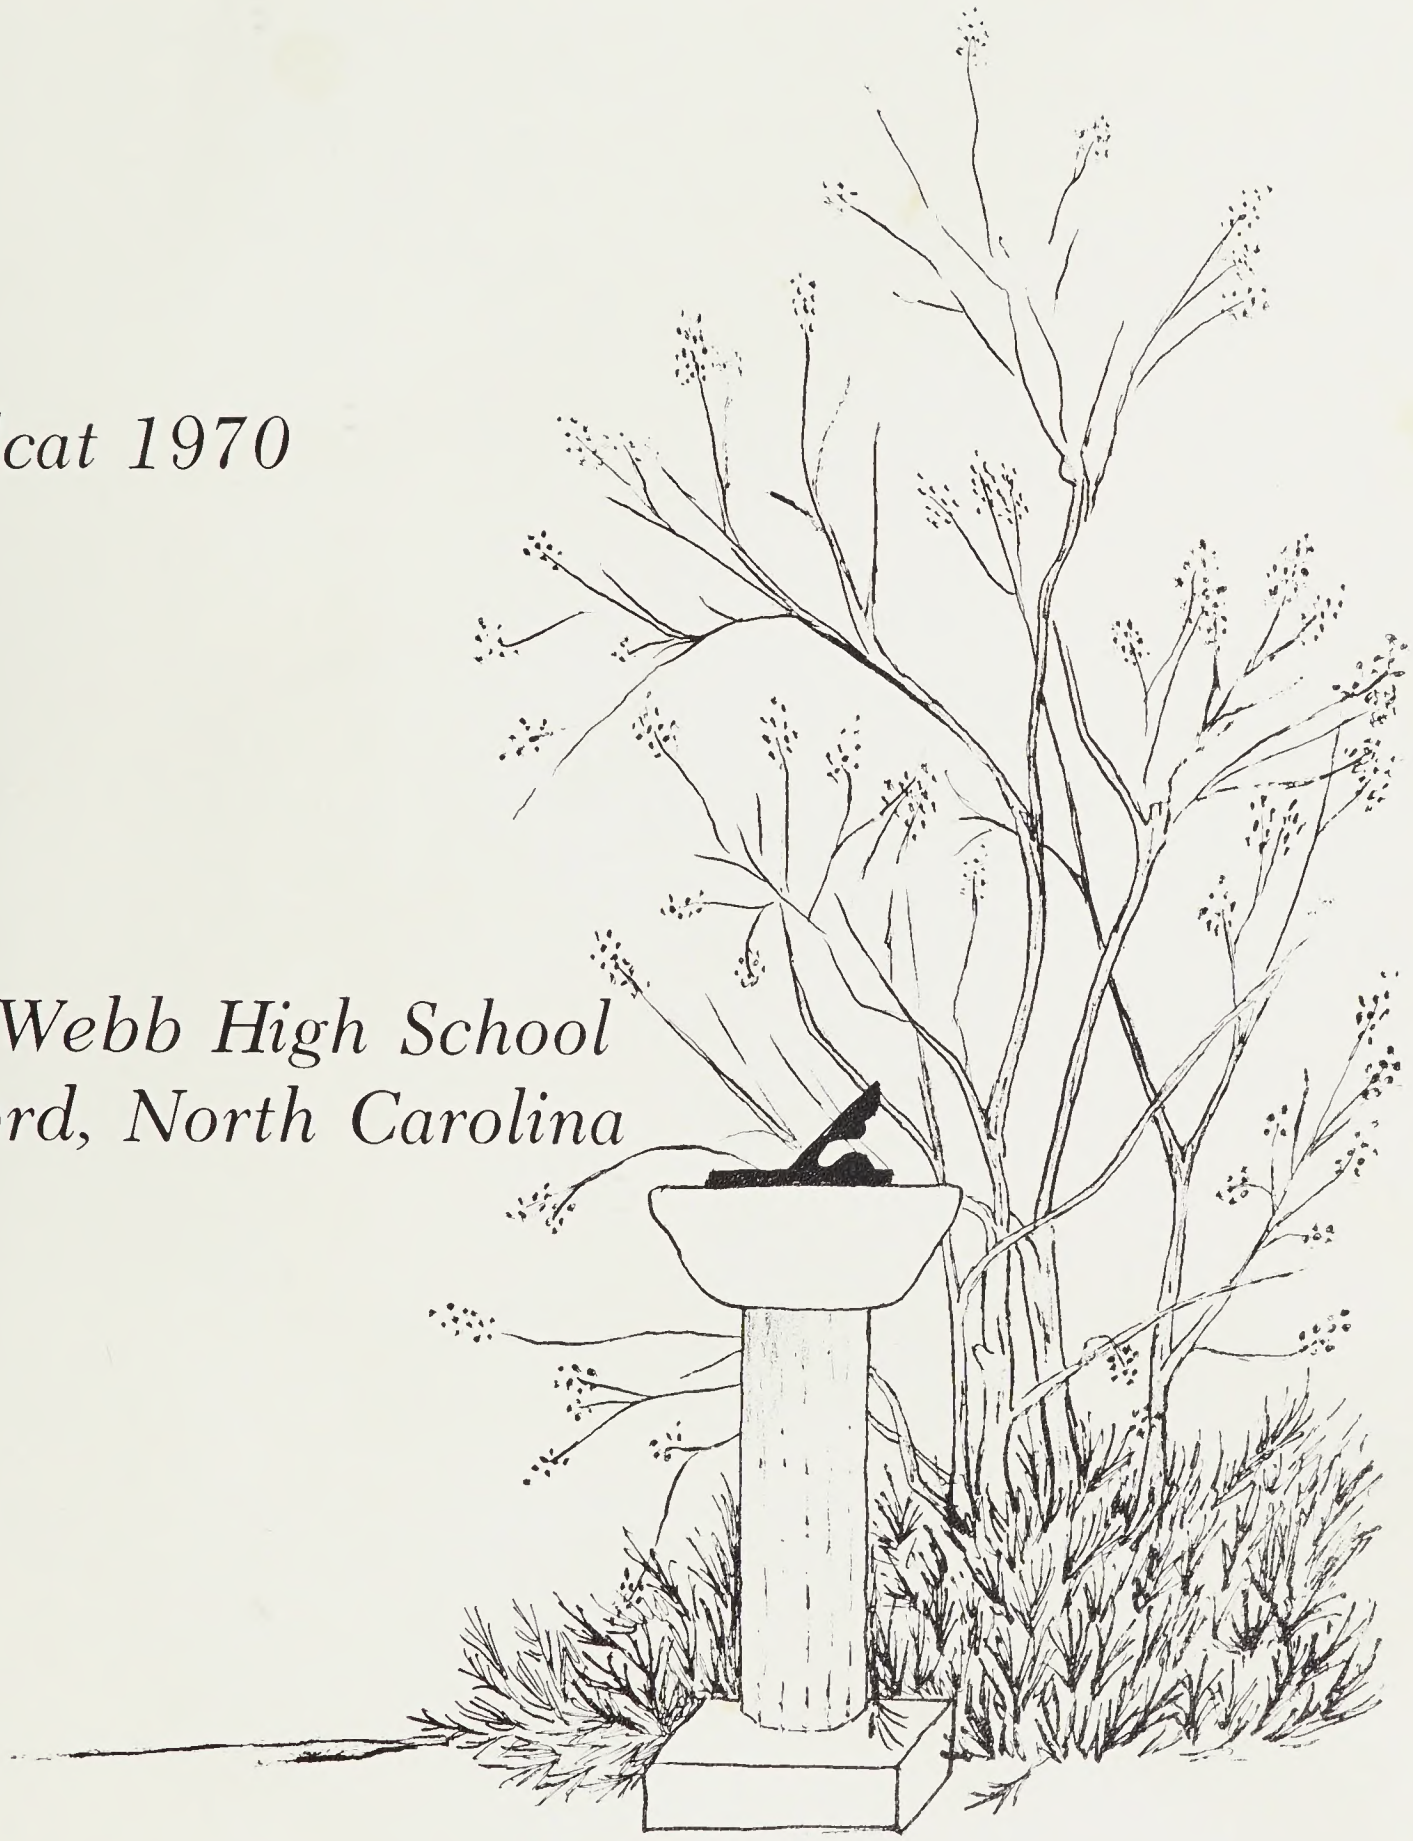
*J.F. Webb High School*
*Oxford, North Carolina*

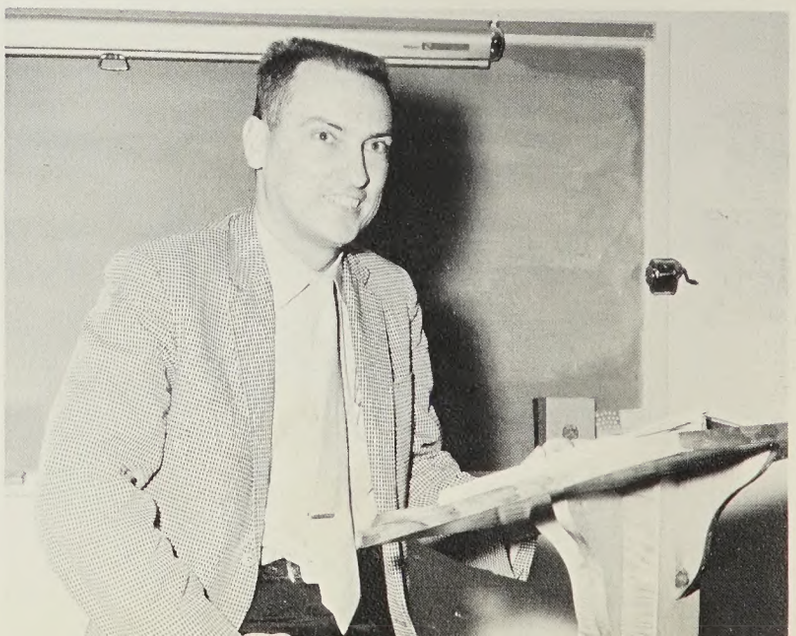


# *Dedication*

"A teacher affects eternity; he can never tell where his influence stops."—It's true that you are a teacher, but you are much more than just a teacher to us. You are a loyal friend, a dedicated leader of school spirit, and a great trumpet player as well as a really outstanding teacher!

We often find it difficult to adequately express our appreciation for the many things you have done for us and meant to us and our school.

Because of our appreciation, our respect, and our love for you, we the students of J.F. Webb High School, proudly dedicate the 1970 WILDCAT to you, Mr. Curtis C. Tillotson, Jr.



*The happier the time, . . .*

Another year has passed—It has been filled with times of joy and times of sorrow, times of achievement and times of disappointment, times of victory and times of failure, times of seriousness and times of fun, times of understanding and times of confusion, times of certainty and times of indecision. This year at J.F. Webb High School has been a time of challenge for everyone involved. Certainly there have been difficult times, but these difficult times have been far outweighed by the good times.

For most, this past year has been a time of growing and learning. We have learned through the help of our friends, our teachers, and our parents. For many of us, this is our last year at Webb. We are grateful for the time we have spent here. For others, time here is just beginning, and they have much to look forward to.

The time we spend at Webb is truly a time of change. Through our experiences here we grow, and hopefully become wiser and more mature. We must be thankful for the opportunity to spend our high school days here for we could not hope for a better place so spend them than at J.F. Webb High School.

SCHOOL BUS

Know the true value of time; snatch, seize, and enjoy every moment of it. No idleness, no laziness, no procrastination: never put off till tomorrow what you can do today.

# *Freshmen*

Class of "73" . . . notoriously known for stewing in study hall and struggling through Health and P.E.

Even though a scared bunch when we entered for the first time, we quickly became adjusted to Webb life . . .

First class meeting . . . electing the leaders of our class . . . planning for Homecoming . . . and proud as punch of our float winning second prize . . . and finally getting the Spirit Stick!

First semester finally ended . . . All of us dreading our first two-hour exams . . . Relieved when they were behind us!

At last the great J.V. Cheerleaders got to show their talent and enthusiasm . . . By cheering at the first basketball game . . .

Thinking of the long, hard struggle before we'll be seniors . . . but looking forward to returning as sophomores!

# *Sophomores*

There is a bit of suspicion in a Sophomore-to-be as he begins another school year.

After the doors of entrance have been unlocked and the trees have become bare, the Sophomore is assured of his stance . . . a new feeling of independence . . . a more serene inner peace and a touch of authority.

Isn't it obvious that we've become so much smarter and more clever than we were last year? No one . . . not even the seniors laughed at '72's homecoming float this year! First Place!

I guess our motto, "We're the sophomore class and we're unsurpassed," is true!

# *Juniors*

Time seems to be flying by . . . already the class of '71 is over halfway to the top . . . and it seems like only yesterday that we were little lost Freshmen . . . Looking at the past nine months . . . we find that we've been through a lot together . . . the PSAT in November . . . and those much dreaded College Boards in March . . . "Did I pass my first semester English Exam?" . . . "I sure do want to order my class ring!" . . . Preparing for that long awaited date in May . . . the Junior-Senior and those long, hectic hours of work . . . and a sigh of relief when it's all over and a Great Success! . . .

Although we are not foot-loose and fancy free . . . we should remember that next year this time it will all be in the past . . . and it will be too late to stop and think . . . "Did I make the right decisions?"

The Class of 1970 . . . our year has finally arrived! As our high school years come to an end, we look back on them with mixed emotions. We remember the good times first of all. But then we remember the rather difficult times too—SAT achievement tests—pressures to make certain grades—misunderstandings with teachers and friends, to name just a few. But the good memories far outweigh the bad ones--wonderful new friendships—school activities—special achievements—plans for the future and a better understanding of ourselves—and finally, GRADUATION.

Our future is still a bit uncertain, however. Many of us have definitely decided to further our education at colleges or other institutions of higher learning. Others have marriage plans. Some plan to go directly to work, and some are still undecided. No matter what our plans are, most of us are still not quite sure how we will handle our future. But all of us are better prepared to face that future because of our many experiences at J.F. Webb High School.

Kitty Lee, Debra Blalock, Julius Johnson, Glenda Currin, Edna Braswell, Frank Hielema—Chief, Debra Fox, Cathy Daniel, Luther Penny, Anne Cheatham, Kimball Royster.

# *Outstanding Seniors*

Outstanding–a word that can mean many different things. These fifteen Seniors were chosen because they are outstanding. But they are outstanding in many different areas–athletics, student government, school spirit, organizations, publications, scholarship, and many more. They are our leaders, and as the years pass, we will remember them for what they meant to Webb and to us as individuals.

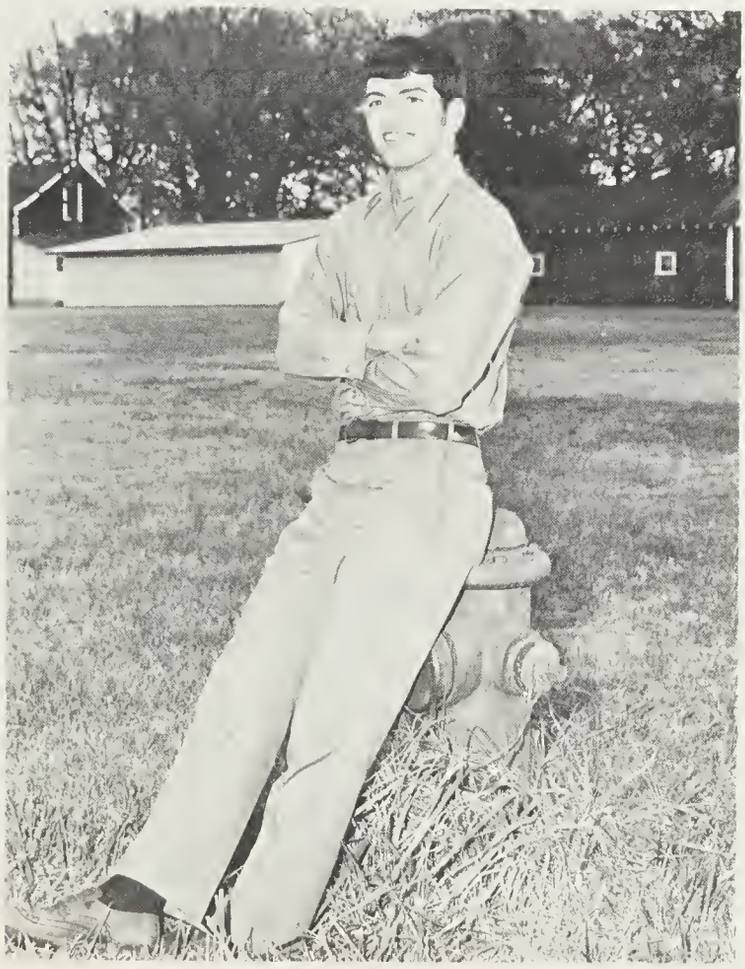
Debra Fox
"Nothing ever succeeds which exuberant spirits have not helped to produce."

Phyllis Bowling
"Courage conquers all things: it even gives strength to the body."

Becky Lynn Currin
"Life without mirth is a lamp without oil."

Peggy Bryan
"Those who bring sunshine to the lives of others cannot keep it from themselves."

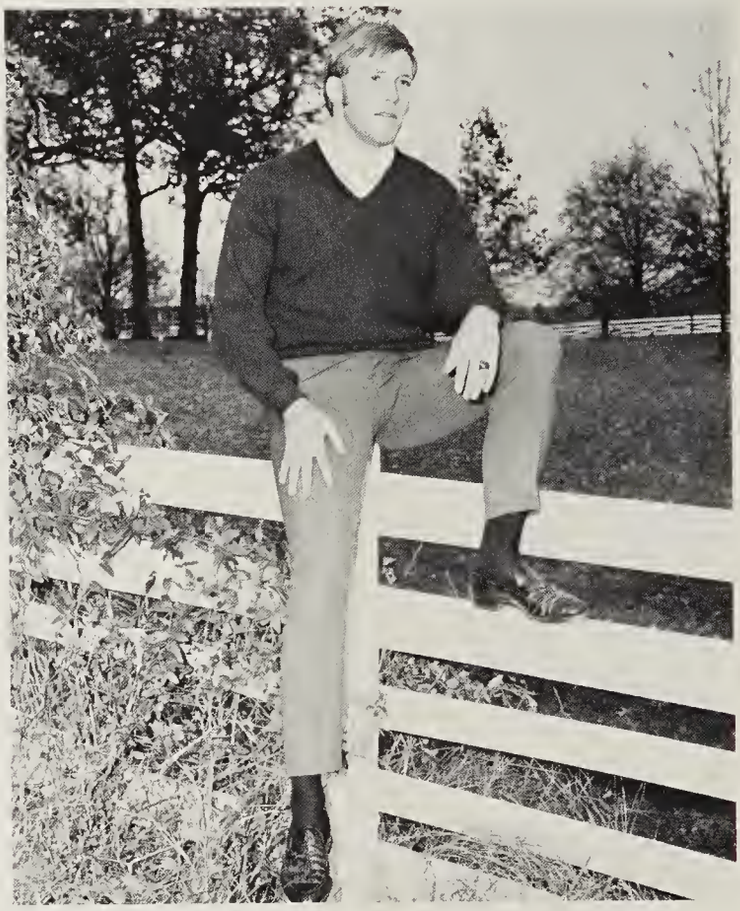
Dot Williford
"The expression a woman wears on her face is far more important than the clothes she wears on her back."



Al Williams
"I try all things; I achieve what I can."

Harry Dixon

"This they all with a joyful mind bear through life like a torch in flame, And falling, fling to the host behind—'Play up! Play up! and play the game!'"



Keith Clement

"A handful of common sense is worth a bushel of learning."

Bernard McNeill

"I will not follow where the path may lead, but I will go where there is no path, and I will leave a trail."

Hamlin Landis

"Everywhere in life, the true question is not what we gain but what we do."

Kitty Lee

A good manner springs from a good heart, and fine manners are the outcome of unselfish kindness.

Glenda Currin

"Blessed are they who have the gift of making friends, for it is one of God's best gifts."

Wanda Dickerson
"There is no substitute for talent. Industry and all virtues are of no avail."

Ivy Lawrence
"Do you not know I am a woman? When I think, I must speak."

Frank Hielema
"What I must do, and not what people think is all that concerns me."

The seniors have chosen as their mascot this year, William Hugh Bunn, six-year old son of Mr. and Mrs. Bill Bunn. This first grader, with green eyes and brown hair is better known as "Chip." "Chip" enjoys his first grade class and entertains a passion for football. The class of 1970 is pleased to wish Chip the best of luck and happiness in the years to come.

# *Colors*

# *National Honor Society*

Membership in the National Honor Society has become recognized as one of the highest honors that can be bestowed upon a high school student. Students who have attained an over-all average of 90 after the first semester of their Junior year and who possess, in addition to scholarship, the qualities of leadership, character, and service may be tapped for membership. A formal induction ceremony is held in the spring.

# *Student Council*

Frustration . . . hope . . . achievement . . . and change were all characteristics of this year's Student Council. As the most challenging year yet began, there was the reluctant release of the old and the bold undertaking of the new. Yet, in all the turbulence of change, the essential goals: to better communications between students, faculty, and administration; to foster all worthy school activities; and maintain standards of good citizenship among students, were attained.

Mike Peters, Vice President; Elaine Currin, Secretary; Glenda Currin, District Vice President; Joan Roberson, Treasurer.

Advisors—Mr. Donald Lassiter and Mrs. Lou Watkins.

Making decisions–having meetings–selling ads–planning and drawing layouts–taking pictures–composing write ups–stamping and identifying pictures–Many things and much hard work have gone into the completion of your annual. We have tried to portray the memorable times of your 1969-1970 school year in the best way we know how–through pictures.

I want to express my sincere appreciation to the staff, to Mrs. Kay Slaughter, and to Mrs. Mary Ellen Thorp for everything they have done to make this annual possible. It could not have been possible without their hard work and determination.

With pride I present to you, the students of J.F. Webb, your annual–the 1970 WILDCAT.

# *The Spectator*

Meet the deadline . . . it has to be in on time or we won't get the papers back soon enough to go out! Accepting responsibility is a very important part of being on the Spectator staff. Each member, whether selling ads, typing, taking pictures, or writing various articles, learns the meaning of these two words. Not only is being a member of the staff enjoyable, but it affords its members the valuable opportunity of working together with a type of unity which helps train us for future years.

Seven times a year our four-page newspaper is published and distributed to all of Webb's interested readers and sponsors who help support The Spectator through advertisements. These readers are kept informed on who's doing what, when, and where at Webb.

Advisors–Miss Betty Adams and Mrs. Mary T. Stovall.

# *Le Cercle Francais*

"Mercy Buckets!" A new expression coined by many French I students, and remembered by all French II and French III students.

All French classes have participated in many new activities this year, as they have also shared in the many new ideas of their advisors, Mrs. Shaw and Miss Warner.

A few of these activities have been the French Réveillon given at Christmas, the French III's French dinner complete with champagne, and the French Club Float which won first place in the club division.

Advisors—Mrs. Shirley Shaw and Miss Jody Warner.

# *Latin Clubs*

Webb's Latin Club is always BIG, especially this year with 120 members. Buzzing (as only "Romans" can) and bubbling over with enthusiasm whether they are getting to eat Latin caramels for good performance on a daily test, presenting a Latin Club program, preparing out-of-this-world projects, readying for the never-to-be-forgotten Roman banquet, or attending state and national J.C.L. conventions.

Last summer, nine Webb "Romans" and their sponsor, Mrs. Satterwhite, attended the National J.C.L. Convention in New Orleans. The 17-day sight-seeing tour included a 4-day cruise to Nassau. At the convention, Margie Reinitz was appointed state J.C.L. Historian.

"Moon-struck" dancers for the April 18th Roman Banquet began rehearsing in January. The festival theme was a 1970 Salute to Diana, goddess of the moon.

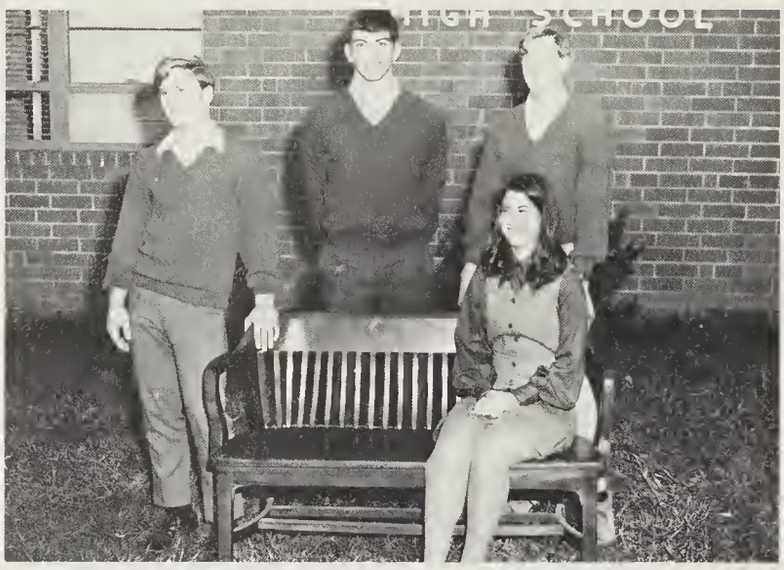
# *Y.I.T.A.S.*

Youth in Total Appreciation of Sports, commonly called Y.I.T.A.S., is Webb's "brand new baby" this year. In years past the Monogram Club was just a picture in the annual; this year Y.I.T.A.S. is a working part of Webb.

Y.I.T.A.S.'s purpose is to provide a common fellowship, on and off the field, for those who participate and letter in the Varsity Athletic Program at Webb. Its members aim to serve the Athletic Department in the best way possible.

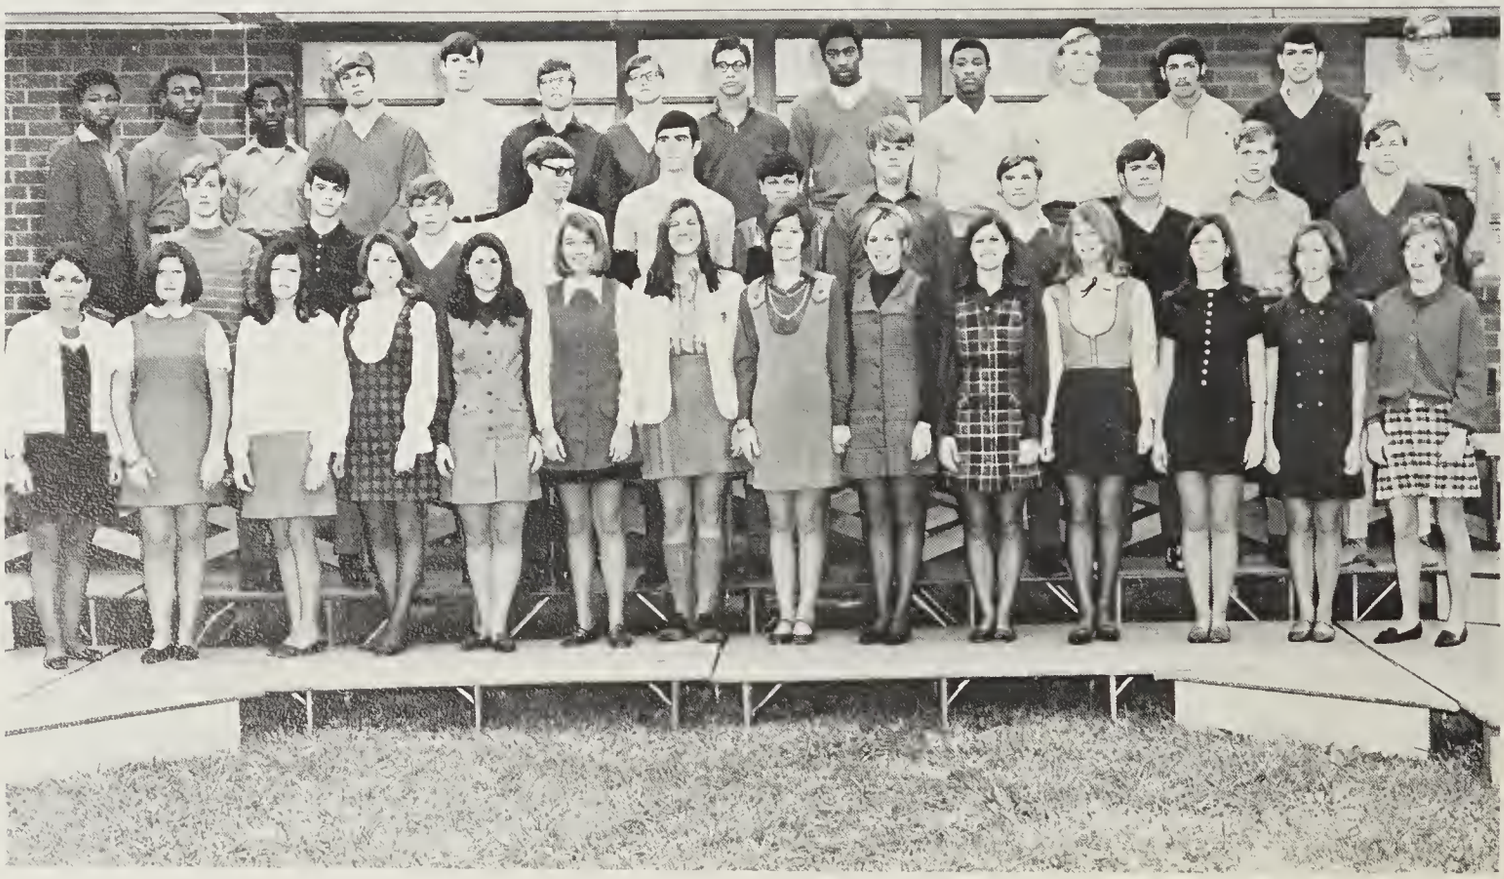
As their money-making project this year, Y.I.T.A.S. members are running the concession stands at home basketball and baseball games.

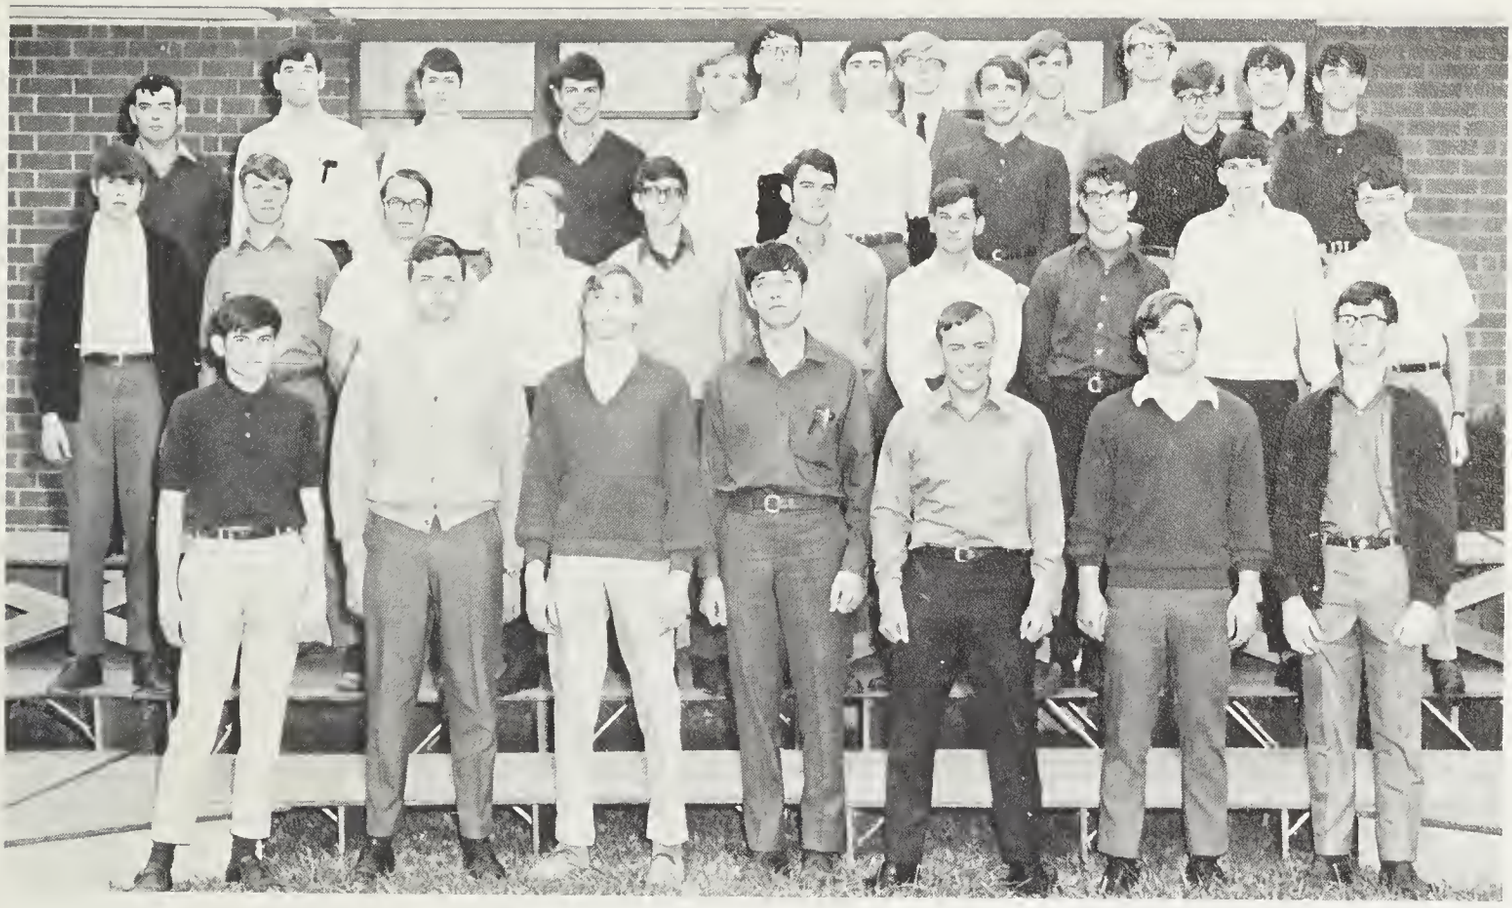
Coach Wood and Coach Moseley, Y.I.T.A.S.'s advisors, are always ready with new suggestions and ideas. Y.I.T.A.S. members feel that without their constant enthusiasm and guidance, this organization would still be only a picture in the annual.



Ivy Lawrence, Secretary; Bob Bryan, Treasurer; Al Williams, President; Merlin Young, Vice President.

Advisors—Coach Van Wood and Coach James Moseley.





Tommy Currin, Chaplain; Gary Angle, Secretary; Frank Timberlake, Reporter; Hamlin Landis, President; Merlin Young, Vice President; Jim Hightower, Treasurer.

Advisors—Mr. Danny Finch and Mr. Bob Hill.

# *Key Club*

Affiliated with the Oxford Kiwanis Club and many other Key Clubs throughout the nation, the Key Club is composed of a select group of Junior and Senior boys. The Key Club promotes such high objectives as developing initiative and leadership, serving school and community, preparing for useful citizenship, encouraging the adoption and application of high standards in scholarship, sportsmanship and social contact.

Our school has benefited greatly from the services of the Key Club in its beginning years and in carrying out its motto, "We Build." Both the school and community can look forward to other beneficial services in the years to come.

# *Pep Club*

To "serve with spirit and sportsmanship." This is the job of the Pep Club. These are the people behind the athletic program. They do everything from painting signs to sponsoring a dance—anything to promote good spirit and sportsmanship.

Committee Chairmen are as follows: Susan Currin, Poster; Mary Thomas, Cards; Cindy Ross, Decorations; Robbie Watson, Special Events; Kay Kittrell, Bus Committee; Rosalyn Mackie, Publicity; and Jimmy Winston, Pep Band.

Much effort has been put forth by each member of the Pep Club to make this one of the most active clubs at Webb.

Advisors: Miss Betty Adams. (Not pictured) Mrs. Betty Davis.

Benjie Hester, Vice President; Gwen Dickerson, Secretary, Keith Clement, President; Frank Moore, Treasurer.

# *Science Club*

Those scientific-minded scholars of Webb have enjoyed interesting meetings in the Science Club this year. With the help of faculty advisors, members came up with some very informative programs.

We know that not all of its members will turn out to be great chemists or biologists, but maybe some of them will seek careers in the field of science.

In any case, you can be sure that each member has profited by the fine work of the Science Club.

Advisors—Mr. Donald Lassiter, Mrs. Marilyn Williams, Mrs. Tullie Johnson.

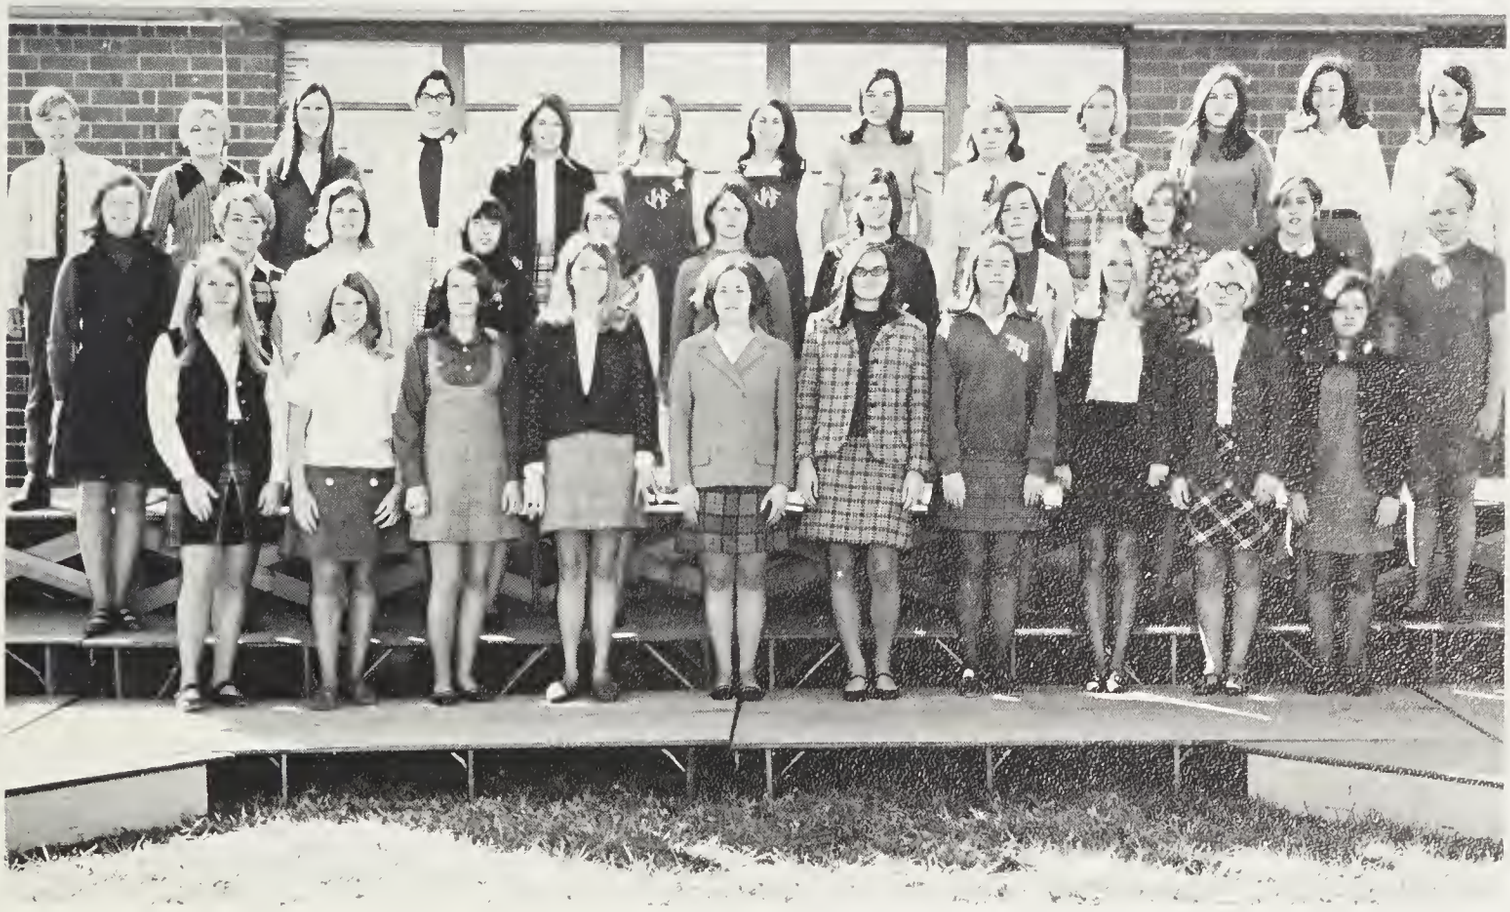
Gay King, Vice President; Nancy Callahan, Secretary; Donna Watkins, Treasurer; Hamlin Landis, President.

# *Future Teachers of America*

Rosalyn Mackie, Secretary; Shirley Averett, Treasurer; June Carter, Parliamentarian; Sheila Barker, Historian; Sharon Mullen, President; Martha Morris, Vice President.

Advisor—Mrs. Grace Bullock.

The J.F. Webb Chapter of the Future Teachers of America is open to any student who is interested in teaching as a profession. The organization has six purposes: (1) to learn about the teaching profession, (2) to explore each member's interest in relation to the various fields of teaching, (3) to increase respect for teaching and teachers, (4) to cultivate in the members the qualities essential to good teachers, (5) to learn about teacher preparation, (6) to study the lives and influence of good teachers.



# *Library Club*

The Library Club holds several meetings during the year and attends both district and state conventions of the North Carolina High School Library Association.

In November 1969, Cindy Howard, a sophomore library assistant, was elected chaplain of the District organization at its annual meeting.

In addition to library assistants, several boys volunteer their time and talents to assisting with operation and maintenance of audio-visual equipment circulated through the library.

Susan Hughes, President; Shelia Daniel, Vice President; Judy Broyal, Secretary; Diane Clayton, Treasurer.

Advisors–Mrs. Peggy Gray and Mrs. Coral Washington.

Audio-Visual Assistants–Hamlin Landis, Gary Royster, Duwonie Cash.

Cathy Farabow, Secretary-Treasurer; Gary Angle, President; Merlin Young, Vice President.

# *Debating Club*

Although Webb has developed many new and engrossing clubs with their activities, one of the most popular and important of these is the Debating Club. It is also known as the Forensic Society. The club advisors this year are Mr. Danny Finch and Mr. Ronald Shelley.

With each passing school year, the Debating Club increases in size. But size is not the only change. The club keeps rolling along, adding new dimensions to its activities and meetings. This is good, for this respectable club exploits different ways of learning and promoting oral expressions.

This past year proved to be a profitable one for Debating Club members. There were lectures in various places, debates in Chapel Hill, and rewarding knowledge and experience gained from the club's other activities. For anyone who cherishes the experience of debating, and learning to accept defeat as well as victory; there is nothing around any better than Webb's Debating Club.

Advisors—Mr. Ronald Shelley and Mr. Danny Finch.

# *Future Homemakers of America*

The J.F. Webb chapter of the Future Homemakers of America is indeed an active organization. Its members are continually trying to attain their main goal of helping individuals improve personal, family, and community living—now and in the future.

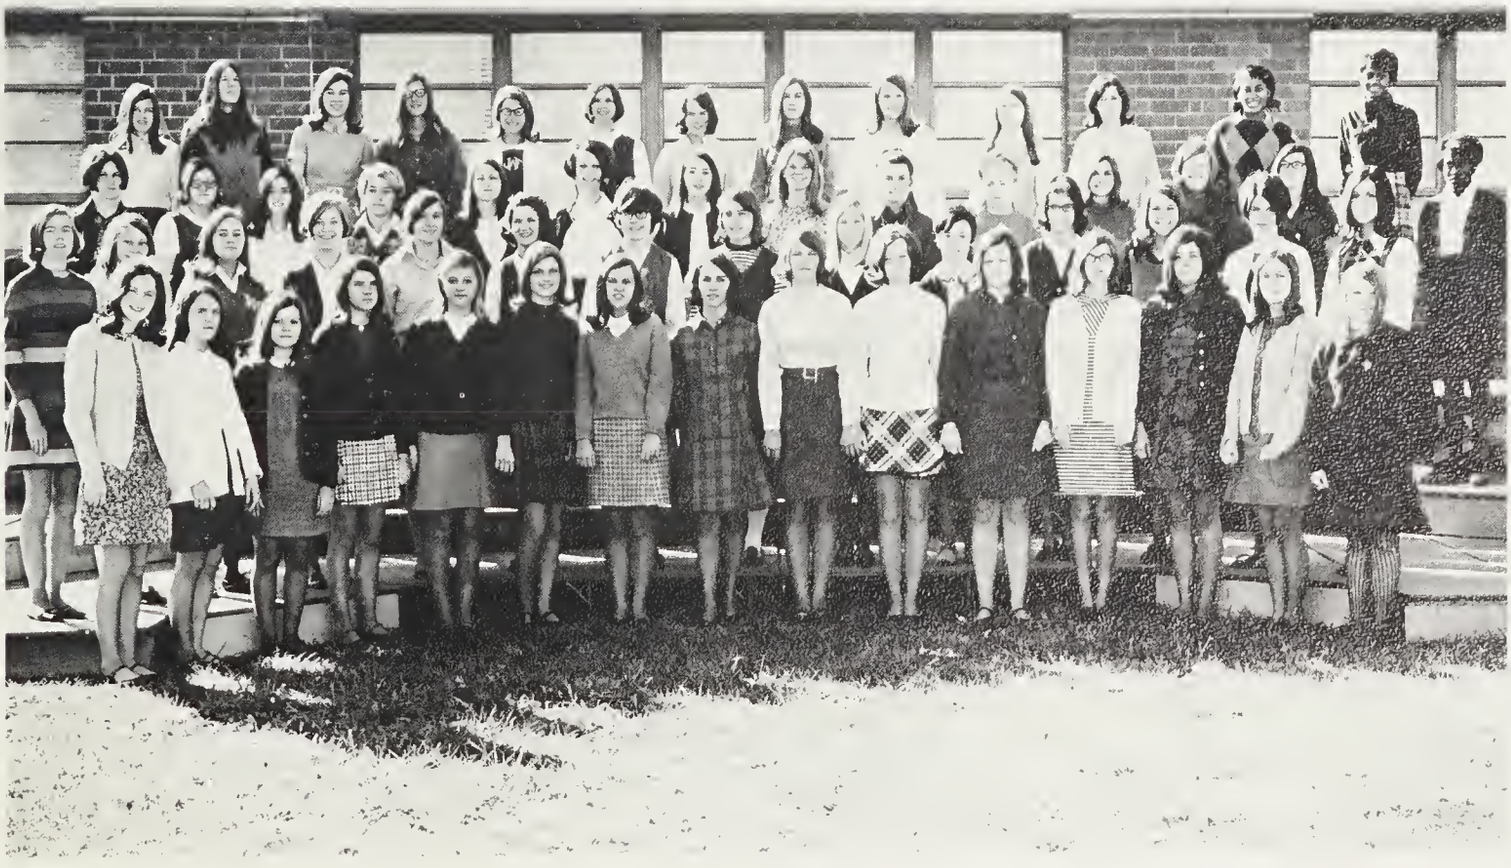
The red rose is the official flower of the F.H.A. It symbolizes the Future Homemakers search for beauty in everyday life and the many beautification projects sponsored by the F.H.A.

With its meetings, projects, and conventions, the F.H.A. is a truly vibrant and worthwhile club.

Marjorie Cash—President.

Wanda Knott, Treasurer; Becki Newcomb, Parliamentarian; Robbie Watson, Secretary; Wanda Dickerson, State President; Elizabeth Morton, Historian; Marjorie Cash, President; Sylvia Yancey, Reporter; Linda Compton, Recreation Leader; Sharon Mullen, Vice President.

Advisors—Miss Brenda Stainback and Mrs. Dorothy Pruitt.



# *Future Farmers of America*

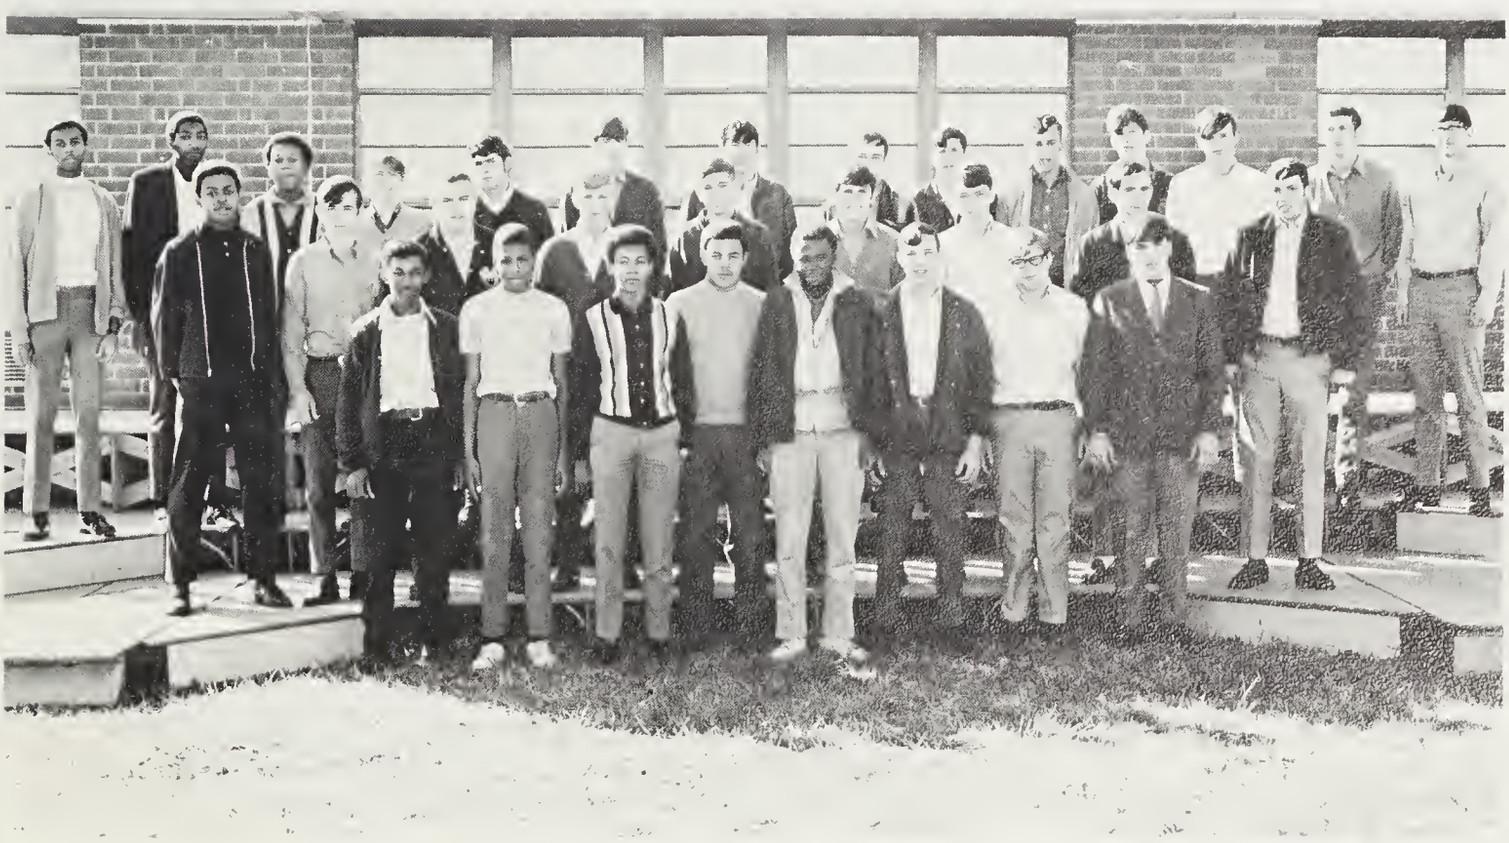
An astounding aspect of Webb's Future Farmers of America, is that members of the helpful association benefit in many ways. Not only do they serve this community and this school, but they (the members) also benefit greatly from their experiences with the aspects and techniques of a good farm life.

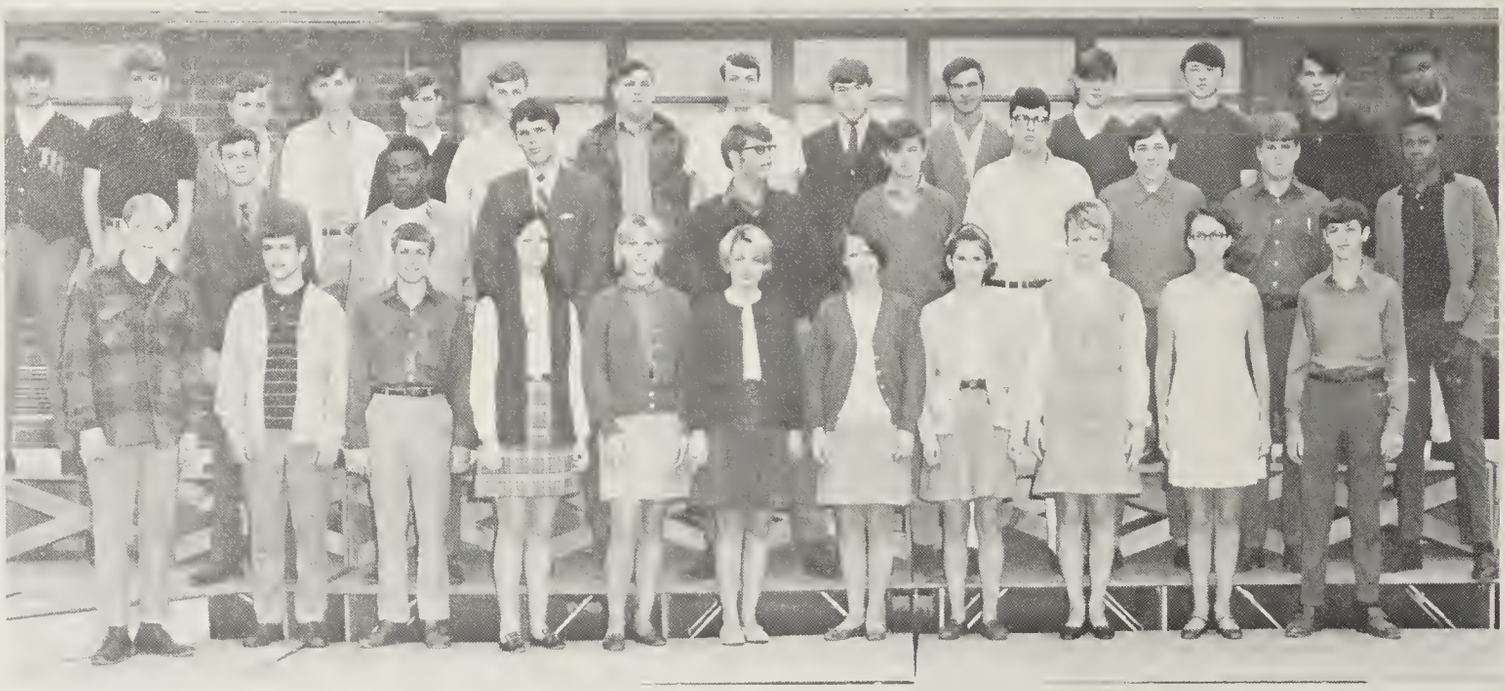
The advisors of the F.F.A. this year at Webb are Mr. Robert H. Hill and Mr. John Gooch. They assist students greatly while on their path to being Future Farmers. Students learn many valuable things--from soil conservation to how to trim shrubbery.

But the F.F.A. is not all academic. The F.F.A. also promotes better relationships between the parent, teenager, and teacher. One example of this is the Father-Son Banquet held in the Spring. There are also occasional events such as the Christmas Dance.

This is the club for the young man who looks forward to a future of agricultural work or for the person who wants to gain agricultural knowledge.

Mike Ellington, President; Waverly Barnes, Reporter; Mr. John Gooch, Advisor; Mr. Bob Hill, Advisor; Bennie Thorpe, Sentinel; Alton Daniel, Vice President; Donald Denny, Treasurer; Earl Hunter, Secretary.





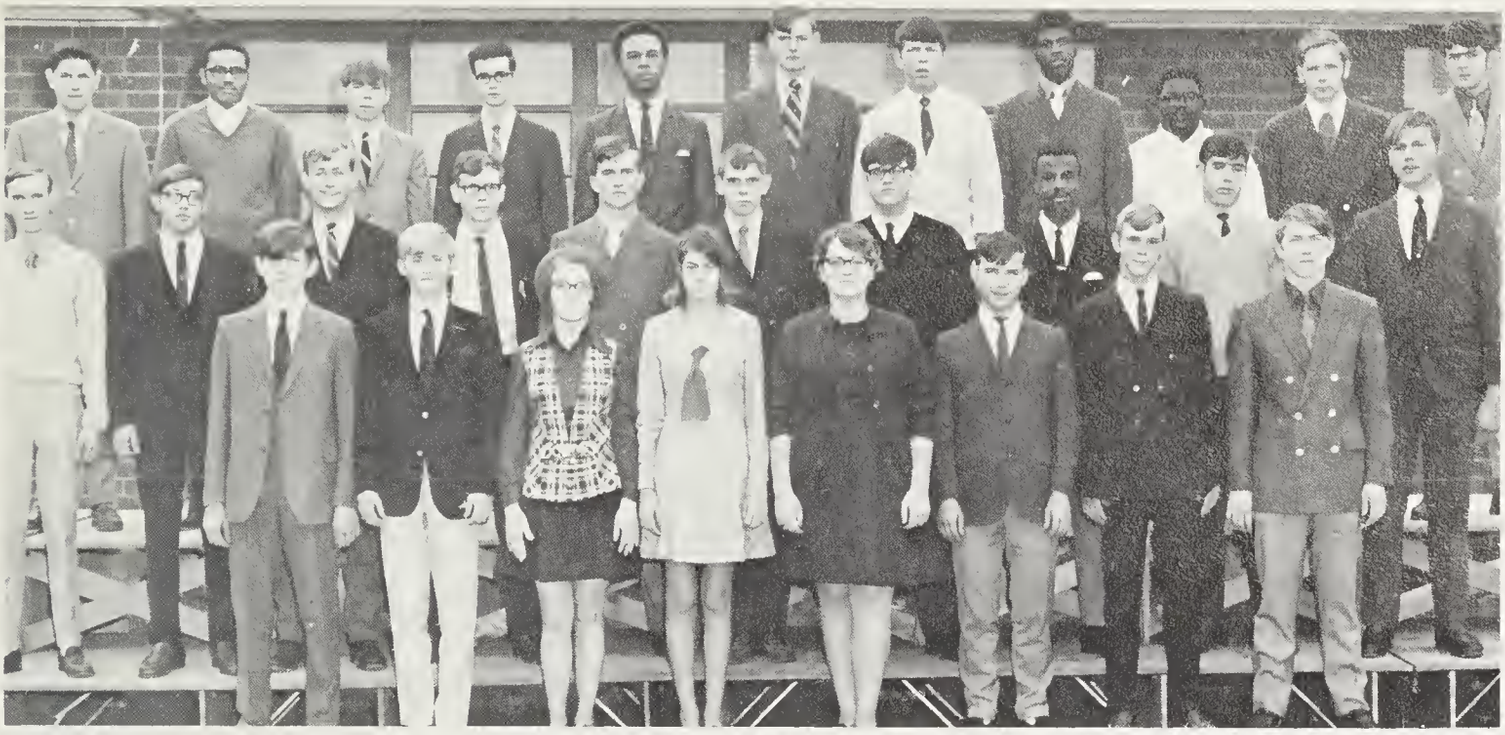
Ann West, Historian; Karen Culbreth, Secretary; Faye Dixon, Vice President; Garry Lee, President; Jim Hightower, Parliamentarian; Bonnie Weary, Treasurer.

Advisor—Mr. Dudley Williams

# *DECA*

The Distributive Education Clubs of America play a major role in the future of young students in high schools throughout the United States. DECA has two main purposes: (1) to develop a respect for education in marketing and distribution which will contribute to vocational competence, and (2) to promote understanding and appreciation for the responsibilities of citizenship in our free, competitive enterprise system.

The Webb chapter of DECA was started four years ago and has doubled its membership since then. A very effective club, DECA has proved effective in the training of many students.



Ronnie Lunsford, President; Joel Cash, Reporter; Valinda Parrott, Secretary; Earl Hunter, Parliamentarian; Gerald Williams, Social Director. Not pictured–Sharon Belcher, Treasurer; Dennis Englebright, Vice President.

Advisor, Mr. James Hogsett

# *VICA*

The Industrial Cooperative Training Program at Webb is one of the unique divisions of vocational education. Its main purpose is to train students to be productive individuals who can later rise to various levels of management.

I.C.T. students are employed in the afternoons at industries producing goods and services in Oxford, Butner, Henderson, and Clarksville, Virginia. The program has greatly expanded during the school year to meet the demands of interested youth.

Through the Vocational Industrial Clubs of America Chapter, the I.C.T. students participate in Homecoming activities and treat their employers at the annual Employer-Employee Banquet. This year we had the Honorable Patrick Taylor, Lt. Governor of North Carolina, as guest speaker for the banquet.

Selected students participate in regional and state contests with other school clubs. I.C.T. students are truly preparing for leadership in the world of work!

# *J.F. Webb Band*

One of the highlights of the 1969-70 school year has been the performances of the Webb High School Band. The Webb Band has been under the able leadership of Mr. J.D. Wrenn, Mr. Curtis Tillotson, and Mrs. Judy Ross.

For half-time entertainment, the Band and Majorettes performed during all of the home football games and several of the away games. They inspired excellent school spirit as they attended various pep rallies, the Homecoming and Christmas parades.

The many long and diligent hours of practice during sixth period each day, on Monday night, and Tuesday afternoon proved to be worthwhile as a result of the excellent performances of the band at its annual Christmas and Spring concerts.

During various pep rallies and other events, the Pep Band took the place of the larger band to envoke school spirit. This Pep Band consists of the more experienced players.

As a result of these many performances during the year, the Webb Band plans to attend the Band Contest in Greensboro this spring.

To finish the school year, the members of the Webb Band will be seeking fun and relaxation on their trip to Myrtle Beach, South Carolina.

Directors—Mrs. Judy Ross, Mr. J.D. Wrenn, and Mr. Curtis Tillotson.

Who sets the mood for our exciting pep rallies? Who devotes many hours of their busy schedule just to improve and boost our school spirit? They are a group of talented, hard-working band students—our Pep Band. The Pep Band is a very important division of our Pep Club. They deserve much credit for the great spirit and enthusiasm for our athletics!

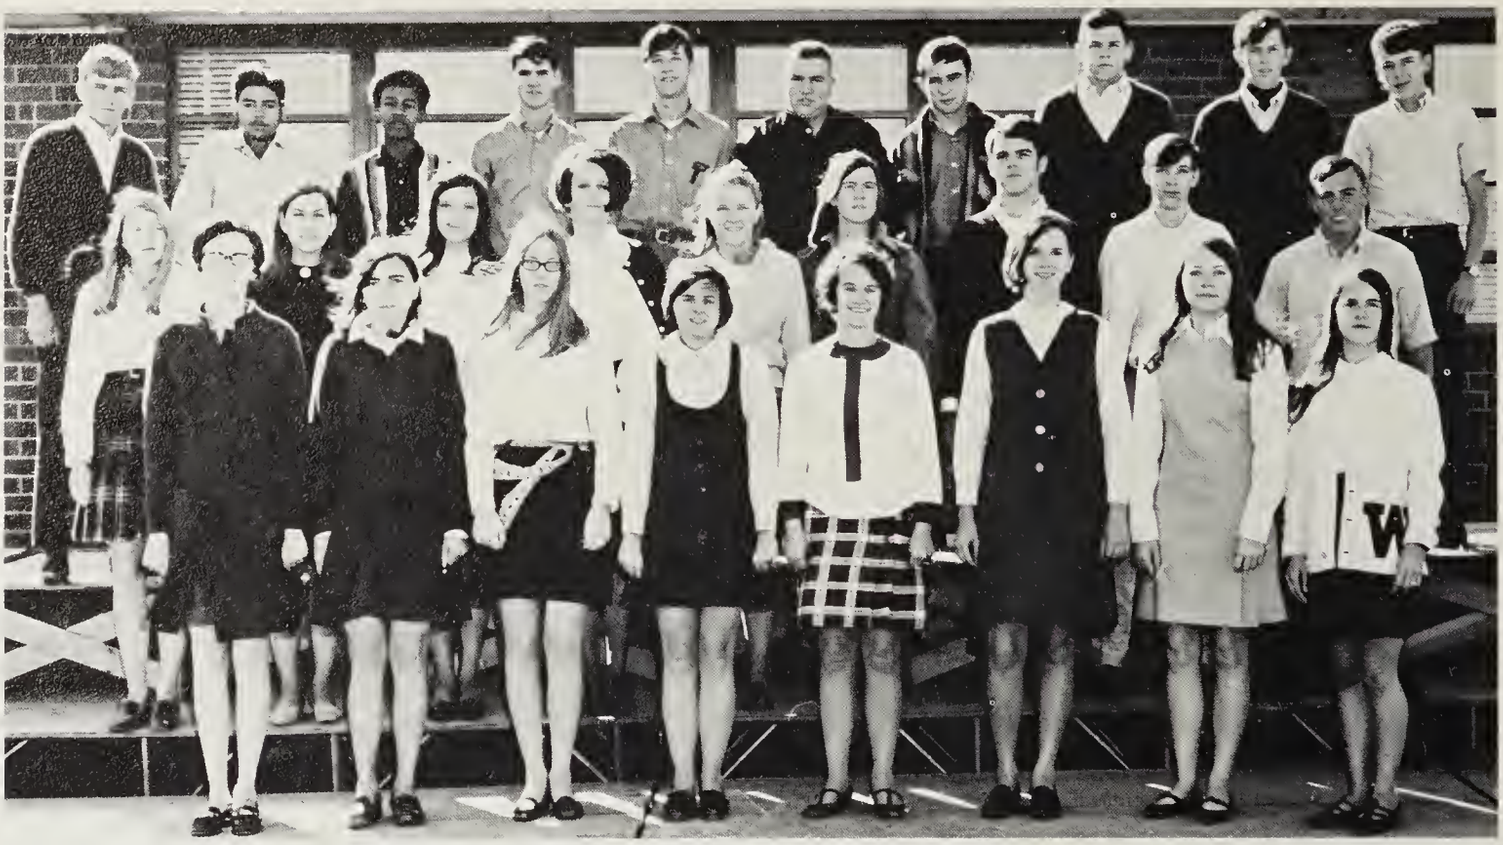
# *Chorus*

The chorus, under the direction of Mrs. Ross, has filled our school year with songs proving that school isn't all tests and homework.

We have given many concerts this year. Some of which have been given to the public and some to our student body. They have included our annual Christmas Concert and the Spring Concert.

For the first time, the chorus participated in the District contest in Durham.

Linda Montague, Accompanist; Marilyn Morris, Treasurer; Alton Daniel, Secretary; Mrs. Judy Ross, Advisor; Jimmy Peebles, President.



Regular Bus Drivers

# *Bus Drivers*

Each of our bus drivers assumes the responsibility of transporting from 50 to 70 students back and forth to school each day. This requires the skill of handling a large vehicle, patience, and dependability. It is to be remembered also that this job is time consuming, keeping the drivers from attending meetings after school and various other extra-curricular activities. Our deepest appreciation is extended to these people who give so unselfishly of their time and energy.

"Two Bits, Four Bits . . . "

Dedicated to their job and making every effort, the Varsity Cheerleaders are continually trying to boost school spirit!

What would a ballgame be without these girls? Vivacious, cheerful, boundless energy, smiling all the time, full of pep . . . the Varsity Cheerleaders.

Seldom do we stop and think about the hard work these girls do for us . . . the hours and hours of planning, the long, hard practices beginning in August, the posters and other items that brighten Webb life for us.

The Varsity Cheerleaders are our most outstanding athletes as well as supporters. They're always behind the boys as well as the student body. "Have you got the spirit?"—Yeah man.

And last but not least, Mrs. Pat Graveley, their advisor, is always willing to give of herself in an effort to help the cheerleaders do their job.

What would Webb be without the efforts of these girls? Thank-you girls, for a job well done.

# *Varsity Football*

Through hard work, determination, and great sportsmanship, the Varsity Football team brought the fairly successful '69 season to a close, tallying 4 wins and 6 losses in tough District III 3-A competition. Among the victories was the upset of the Southern Durham Rebels, who had previously been undefeated in the conference, and Hillsborough Orange. Leading the Wildcats through the season were the Tri-Captains Harry Dixon, Al Williams, and Jerry Barker.

Managers—Chris Noel, Jeff Gravley, Martin Fox, Ben Bryan, Pearl Dixon, Phil Hill.

Coaches
Steve Holleman and James Moseley

Under the direction of Coach Steve Holloman and Coach James Moseley and through the ability of one of the finest teams Webb has ever had, the 1969-70 season was a great success.

With concentration in learning all of the plays and hours upon hours of long, hard practice, the "Wildcats" opened the season with a victory.

Throughout the season, due to their hard work, good teamwork, and excellent sportsmanship, the "Wildcats" continued down their victorious path!

We would like to take this opportunity to salute YOU, the golfers of J.F. Webb.

# *Baseball*

Long hard practices and much determination brought a victory with the first game of the season. The Coaching ability of Coaches Van Wood and James Moseley along with the hard work and determination of the team has made the 1970 season a most successful one.

# *J.V. Cheerleaders*

Bouncy, vivacious, full of pep, and raring to go . . . they're our J.V. Cheerleaders. Cute and with endless spirit, the Kittens, in their new uniforms, are behind their boys all the way! Mind yourself . . . they may look innocent, but if you slam their "heroes" they'll spread their claws and let out a big meow!!

Headed by cute, bouncy Martha Pruitt, these "gals" keep spirit up during their games and are always on their toes.

Since there was no J.V. Football team this year, the "Kittens" were even livelier and peppier when they opened Basketball season.

With their loyal, part-time instructor-supervisor Pam Evans, you could see the girls practicing at all times and perfecting their cheers.

And what would they have done without their advisor, Mrs. Marilyn Wood, who gave her time and energy to make the squad as great as ever!

# *J.V. Basketball*

The J.V. Basketball team this year was a tough one. They were ninth and tenth graders. The team worked together every afternoon and put much teamwork in the game. They went all out to support J.F. Webb High School. Much spirit was put into all the games.

Next year, the boys will be great Varsity Basketball players.
